Professional Engineers in California Government Endorse Assemblywoman Cathleen Galgiani for Senate District 5

Professional Organization Unanimously Backs Galgiani

Stockton, CA – The Professional Engineers in California Government (PECG) have announced their endorsement of Assemblywoman Cathleen Galgiani in her race for Senate District 5. The organization announced their selection following a unanimous board decision based on Galgiani’s “demonstrated commitment to public servants.”

“I am pleased to have the support of the Professional Engineers in California Government,” said Galgiani. “These public servants do so much to protect our infrastructure and communities. I salute their hard work and am grateful for their endorsement.”

PECG represents 13,000 state-employed engineers and related professional responsible for designing and inspecting California’s highways and bridges, ensuring that schools and hospitals are safe during earthquakes, and protecting our air, water and beaches from pollution.

Assemblywoman Galgiani was elected to the State Assembly in 2006 and has worked to facilitate the fast-moving development of the nation’s first High-Speed Rail project, which will create thousands of new jobs, and put California’s economy on a fast track to recovery. A Democrat, Assemblywoman Galgiani is running in the new Senate District 5 which includes Stockton, Tracy, Modesto and neighboring communities.
